Whereas in the revised Master Plan approved by Government vide G.O.Ms.No.288, MA&UD (I) Deptt, dated:03-04-2008 a 30-0 mts (100 ft) road was proposed connecting Nizampet road and Pragathinagar road.

Whereas the residents of Nagarjuna Homes, HMT Hills and Adityanagar localities of Hydernagar & Kukatpally have represented to delete/realign/reduce the width of 30 mts proposed road in Master Plan 2020 issued vide G.O.Ms.No.288, MA&UD (I) Deptt, dated:03-04-2008 which connecting main roads and also as it will affect many existing houses and localities.

Whereas the residents of Nagarjuna Homes, HMT Hills and Adityanagar localities of Hydernagar & Kukatpally have further stated that they got utter shock and surprise to know by issuing an order in G.O.Ms.No.288, MA&UD (I) Deptt, dated:03-04-2008, HUDA has made a proposal for laying a 100 feet wide road connecting the two existing roads leading to Nizampet and Pragathinagar areas. The said existing roads are admeasuring 60 feet and 30 feet (proposed 50 feet) respectively, but whereas the width of the proposed connecting is 100 feet road which is illogical to have a connecting road wider than the existing main roads.

And whereas residents of Nagarjuna Homes, HMT Hills and Adityanagar localities of Hydernagar & Kukatpally have further stated that being the residents of the locality, they are well aware of the photography of the area, requirements of the residents like civic amenities etc. The road proposed by HUDA will not serve any meaningful purpose, except dislocating good number of middle class people who are losing their

homes and house plots purchased with hard earned monies. They sincerely feel and of the considered opinion that there is no need or necessary to lay the proposed 100 feet road by spending huge public money as it is not going to serve any purposed. Hence, they are requested to re-consider the proposal of laying 100 feet connecting road cited in the above subject and to withdraw the proposal in public interest.

And whereas M.C., HMDA has reported that the said request of the Effected Individual owners of Hydernagar & Kukatpally has been examined and he has recommended Pragathinagar road to Nagarjuna home junction 100'-0" wide road reduction to 60'-0" wide road as the proposed 100 feet road in Master Plan is affecting the existing houses of Adityanagar. And also recommended to drop 100'-0" feet wide road Nagarjuna Home junction leading to Nizampet road junction as it is affecting the Nagarjuna Homes apartment for which Technical approval was given by HMDA.

And whereas the Government has examined he request of the applicants with consultation of Metropolitan Commissioner, Hyderabad Metropolitan Development Authority and observed that in the revised Master Plan 2020, a 30-0 mts (100 ft) road was proposed connecting Nizampet road and Pragathinagar road, which is connecting the existing 60'-0" ft road leading to Nizampet and 50'-0" feet road leading to Pragathinagar in Kukatpally. Therefore, after careful consideration of the matter, Government proposed to reduction of 100'-0" feet to 60'-0" road connecting Pagathi-nagar road to Nagarjuna home junction as the proposed 100 feet road in master Plan is affecting the existing houses of Adityanagar and also proposed to drop 100'-0" feet wide road Nagarjuna Home junction leading to Nizampet road junction as it is affecting the Nagarjuna Homes apartment for which Technical approval was given by HMDA.
